Hands of Time

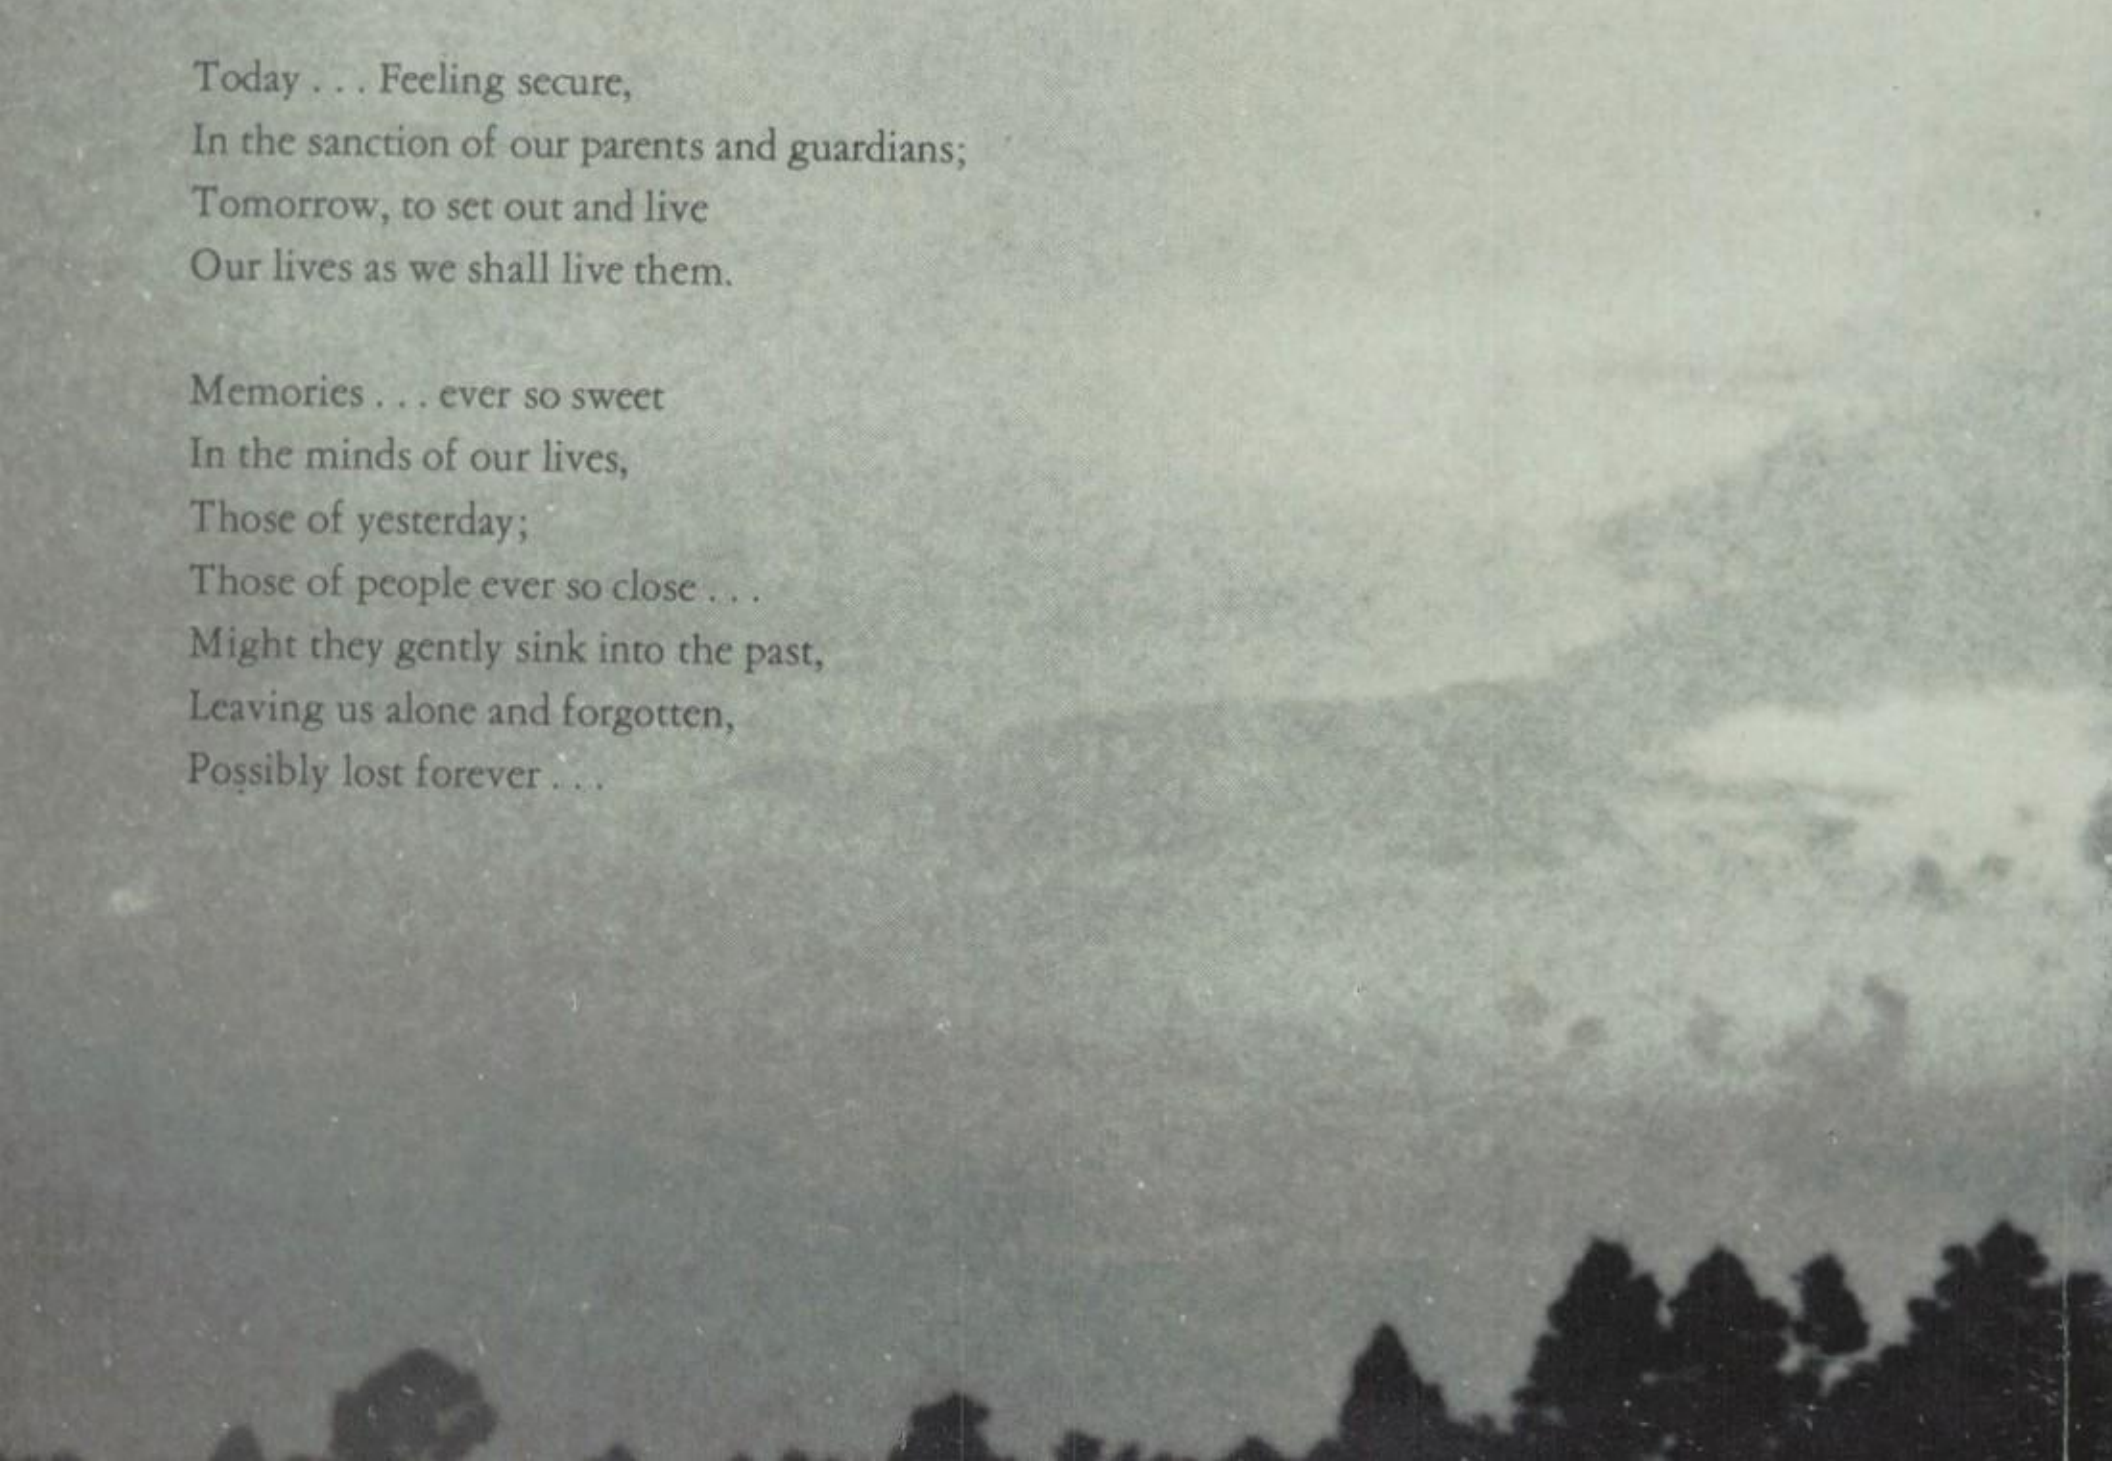
The Hands of time,
whose journey is never ending . . .
Constantly, patiently, everturning
Into the hours of infinity.

Hands eagerly seeking the next moment,
Moments that have passed,
Moments yet to come . . .
Ever willing to leave the past and seek the future.

The Future: Fate, Destiny, Purpose
One the same;
Always conspiring, always plotting
To change the lives of those we know and love.

Today . . . Feeling secure,
In the sanction of our parents and guardians;
Tomorrow, to set out and live
Our lives as we shall live them.

Memories . . . ever so sweet
In the minds of our lives,
Those of yesterday;
Those of people ever so close . . .
Might they gently sink into the past,
Leaving us alone and forgotten,
Possibly lost forever . . .



But . . .

There's always love . . .
Like a beacon to a ship at night
We prepare *"this"*
As a momento to Cherish,
In the hands of its beholder, forever more.

Time . . .
Always passing, never ceasing,
Never stopping to let us enjoy life
    just a little longer . . .
It's the shortest of all virtues.
Indeed it could be called a "curse"
To one "still in."

Tomorrow . . .
We say farewell
    to those younger than we,
So that they might begin
    the "ever-so-short" time
They have left to stay.

People . . .
Always coming
Always destined to depart.
Though it hurts,
We must pass on.
The Hands of Time,
Pulling-ever onward,
Toward one's destiny, in time to come.

The 1981 Prom was held at the Hilton in Mobile, Alabama on Friday evening, April twenty-fourth at seven o'clock in the evening. THE HOUSE OF PRIDE

Late at night when no one is near,
a black silence covers the rooms.

A stench in the air reminds one of pain and anger that exists but is not felt.

The maroon and white lingers behind the darkness; the pride of this place is felt by all.

The articles of battle now are seen behind the steel doors which contain them.

The heavy thought that weights on all minds that recalls the want and desire to be the best.

This house is suddenly filled with its warriors, each with the battle to come foremost in mind.

Then they go; the battle is fought . . .
and fought hard.

They return to this house victorious
and filled with pride.

The warriors leave and darkness covers the place again . . .
but nothing can cover the pride which it holds . . .
EAST CENTRAL PRIDE!!

Coach Talk

If you think you are beaten, you are
If you think you dare not, you don't
If you'd like to win, but you think
you can't
It's almost a cinch you won't.

If you think you'll lose, you've lost
For out of the world we find,
Success begins with a fellow's will
It's all in the state of mind.

If you think you're outclassed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To stronger or faster man;
But sooner or later the man who wins.
Is the one who thinks he can!!

The 1981 Hornet Yearbook Staff has put a great deal of hard work and dedication into this yearbook. In order to raise money to pay for the annual, they sold annuals, stuffed animals, and pictures. They also sponsored the Jr. High and High School Beauty Pageants, Who's Who, and the Powderpuff Football game. Eight of the staff members attended a Yearbook Workshop at University of Southern Mississippi and brought home an "excellent" on their work down there. Though the staff members have had their problems, they have learned to work together.
